• EXECUTIVE BOARD ELECTIONS •

New Steadicam Information from Peter Abraham, Tiffen

Peter Abraham, a Steadicam® Operator for 21 years, has worked for The Tiffen Company as Steadicam Workshops coordinator and instructor, salesman and contributor to Steadicam design. He will be demonstrating the latest rigs from Steadicam that work with today's compact HD cameras or latest generation DSLR cameras offering HD video as well.

New information from Orlando Luna, Apple

Orlando Luna, Senior Systems Engineer from Apple Computer, will go over Tiffen Dfx with various applications on the Macintosh platform. Orlando is a photographer, filmmaker, and educator. Previously, Orlando directed Luna Studio, a multimedia organization established in 1987 in Miami, Fla. His photography credits include the New York Times, Nike, Newsweek, and MTV.

New product info from Eric Druker, Lowel Light

Eric Druker has been in the Motion Picture/Television/Image Creation industry for over 23 years and has been Manager of Eastern Sales at Lowel-Light Mfg. Inc. since 1996. He will be demonstrating the latest innovations in lighting including the new Lowel Blender that mixes Daylight and Tungsten LED's to perfectly match the lighting of your location.

• The WHNPA 88th Annual Awards Gala •

May 30, 2009 • The Ritz Carlton, Washington, DC • 6:00 PM Until 1:00 AM.

We expect an earlier than usual sell out! Seating is limited and available as determined by the post mark date on the RSVP with payment enclosed.

Reminder... Please make plans to pick up your tickets prior to the gala and distribute them to your guests... Location and time to be announced on the web and e-mail later. There will be no evening will call this year.
